

This certificate of insurance is NOT an insurance policy and does not amend, extend or alter the coverage afforded by the policy listed herein. The terms, conditions and exclusions of the policy govern the rights and obligations of the Company to the named insured and any other insureds and may limit coverage. Provisions of any other contract, including agreements between the insured and anyone else, cannot and do not amend, extend, or alter any terms, conditions or exclusions in the policy. Additional insured and other endorsements may be authorized only by the Company or their appointed General Agents. Where reference is made to an Aggregate Limit, such limit is the company's maximum liability under the policy for the entire policy period regardless of the number of insureds, claimants or occurrences.
